Lose Your Keys. For Good.

Forget carrying around keys; lock and unlock your home with your smartphone. Share digital keys with friends and family, view access history and customize lock settings and pin codes, all from your Yale Assure app. For those times when you don't have your smartphone on you, unlock by entering your unique 4-8 digit pin code on the touchscreen keypad.

Contact SAHR today to talk about the different options available to secure your home!

12 EASY WAYS TO WINTERIZE YOUR HOME

Change Furnace Filters	Eliminate Window Drafts	Boost Insulation
Run Fans in Reverse	Install Storm Doors	Insulate your Pipes
Winterize Water Lines	Tune-Up your Furnace	Clean your gutters
Turn Down your Water Heater	Manage your Thermostat	Add Insulation

According to the U.S. Department of Energy, drafts from windows and doors can waste up to 30% of your energy use. Start small...caulk, add plastic, use "draft snakes" at the bottom of your doors or on your window sills. If you are still losing heat or feeling drafts, contact us and let's talk about replacing your windows or door with a free in-home consultation. You will be glad you did!
